President's Message by Greg Crowder

I hope that everyone had a chance to come out to Klingspor's show. I was very pleased to see a great amount of participation from members of our club. Scott and Evanna both managed to pick up jobs turning in vendors booths. I managed to get to the show Saturday with tools in tote and was pleasantly surprised to see that our booth was fully manned with shavings flying. A big thank you to everyone that came and turned as this is the first time in a few years that I got to lay back and watch the action. I would also like to add as a side note that it was a delight to watch Evanna working with kids in her demo booth.

Please remember that we are approaching our Christmas party. Get out to your shops, dig down in the piles of shavings and find the stuff that you want to sell at the auction. We will be doing the ornament swap for the spouses. I think that we are going to have a handmade blanket for live auction. We will also have items donated to the club from past demonstrators up for auction. This year's party will be at the same location as last year. They have changed the name but it is the same church in Rutherford College.

Holiday Fruit Cakes

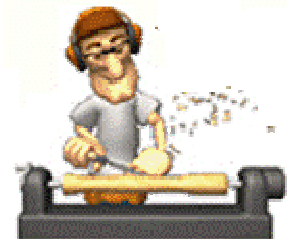

Mary is taking orders now for fruit cakes to be delivered at the December meeting. The fruit cakes are made with dates, cherries, Candied pineapple, Georgia pecans, and "just a touch" of Myers dark rum. She is asking \$20 per cake which weighs approximately 2 pounds. Please let Mary know by note, e-mail, phone call, or in person if you want any so that she will have enough. Orders will be taken though the November meeting **ALTHOUGH** Mary will not be at the September or November meetings (fighting the Yankees!).

Program Notes – Hands-on – November 13th – 10:00am to 4:00pm

Want to learn a new technique by watching one of our "seasoned" woodturners at work? Don't miss the November Hands-on session. We are planning to do bowl turning, maybe sharpening, hollowing, Christmas ornaments, and if someone wants to do some spindle work that's OK too. Greg Crowder, Scott Caskey, Michael McNeilly, and possibly Sam McDowell will be at the stations. Anybody that has anything to offer is always welcome. This will be a very informal and fun meeting!
